**Teacher’s Message:** Just a small amount of homework this week. You guys deserve a break after working so hard in over the past weeks!

**Reading:**
Read a book for at least 20 minutes a night.

**Literature Circles:**
We have started our new novels for literature circles! Read your chapters for literature circles and complete your activity. Remember, you need to bring this in next Tuesday with homework. You will be marked on this by your peers.

Remember to try and be **creative** and **thorough** in how you prepare your role activities! Think about how your task will give your peers a **deeper understanding** of the text.
